Media Release

For immediate release – [5/11/2025]

An important update about Shine Shed Northwest

After careful consideration, McCall has made the difficult decision to close Shine Shed Northwest (Vineyard), with the final day of operation being **Friday, 18 December 2026**.

For many years, Shine Shed has been a much-loved part of our community, providing a welcoming and inclusive space where children of all abilities could play, explore, build confidence and have fun.

This decision follows a review of operational and financial factors, alongside changes in the children's playcentre market. Today, families have access to an increasingly diverse range of play experiences, including many wonderful inclusive spaces that cater to children of different abilities and needs.

While this has been a difficult decision, McCall's commitment to supporting people with disability and creating inclusive, vibrant communities remains unwavering.

We are incredibly proud of everything Shine Shed Northwest has achieved and the joy it has brought to so many children and families over the years.

To our dedicated Shine Shed team, the families who have visited us and the wider community who have supported us, thank you for being part of the Shine Shed journey.

Shine Shed Northwest will remain open until Friday, 18 December 2026.

What this means for families

Shine Shed Northwest will remain open until Friday, 18 December 2026.

If you have an existing booking, upcoming birthday party, prepaid session or gift voucher, please contact our McCall team at (02) 9679 1031 to discuss your arrangements.

Our team is available to answer questions and assist families throughout the coming weeks.

We sincerely thank you for your understanding and support as we approach our final day of operation.
